

Getting Started Guide

Hi! If you're reading this, you are likely feeling overwhelmed by the sheer number of on- and off-line marketing, advertising, and PR options for your business. Maybe you've been thinking, *Hey, I can do this* but then realize either you don't really know how; or you just don't have the time to keep up with the demands of running your business, never mind marketing it too.

Maybe you've tried to do your own marketing, but you're not making any progress? Or worse, you're falling behind in your sales AND are over budget. Maybe you've been lying awake at night wondering what to do? Don't panic – that's where Affordable Marketing Solutions LLC comes in.

"You may have the best product or service, but if you're not marketing it no one will ever know."

If this sounds like you, then working with us is the best way to set your organization up for marketing success. We'll get you on the right track, train you to have a Marketing Mindset, and generally cover all of the critical marketing tasks required for your long-term success. Once we get you up and running, you'll be able to do many of the tasks yourself.

"Marketing today, keeps you in business tomorrow."

We work with our clients in a number of flexible ways depending on each unique situation. Our pricing and payment plan is always clear as are our deliverables to you. Rest assured, you will never be billed for anything you didn't pre-approve in writing.

After our initial consult, you'll be sent an OnBoarding Guide to read and sign. This guide was created for you so you know what to expect from our engagement and how best to work with a marketing team.
