**AFFORDABLE MARKETING SOLUTIONS LLC  
WRITES THE BOOK ON SMALL BUSINESS  
MARKETING**

**Connecticut Marketing Consultant Publishes *Affordable  
Marketing Solutions: Proven Techniques to Profitably  
Market Your Small Business***

Entrepreneurs, small-business owners, and self-employed professionals now have access to a handbook filled with tips and techniques to help them market their small businesses.

Randy Spina, Chief Solutions Officer of Affordable Marketing Solutions LLC, put her two plus decades of marketing expertise to work and wrote this concise handbook because she perceived a need in the small-business marketing book industry that hadn't been filled.

"There are many great marketing books out there, but none grounded in the exact how-to's for small-business owners, especially given the tough economy right now," says Spina. "I created an easy-to-use handbook with chapters that are organized by technique – all affordable for small-business owners, including websites, email marketing, telephone techniques, social media, coupons and more." At the end of each chapter there are checklists and worksheets to ensure you get it right the first time, without wasting time or money.

Reviews have been exciting. "I'm so grateful that my book is being embraced," says Spina. And, at just \$18.95 it's a fit for anyone's budget – no matter how tight.

Purchase *Affordable Marketing Solutions: Proven Techniques to Profitably Market Your Small Business* at [www.myaffordablemarketing.com](http://www.myaffordablemarketing.com). Read the reviews and read sneak peek pages, place orders securely using PayPal; and sign up for Affordable Marketing Solutions' email newsletters on the book's website.
